Description

This inviting two-story home is nestled on a corner lot in Moss Grove Plantation. The attached two-car garage, with hanging storage, gives you plenty of space for parking and storage. As you enter, you're greeted by a soaring two-story foyer, laminate wood floors, smooth ceilings, and a bright open floor plan with a great flow for entertaining and everyday living. You'll also find lots of storage space, including extra storage under the stairs and a drop zone area near the garage entrance. The open kitchen boasts recessed lighting, granite countertops, an island with a large breakfast bar, a smooth top range and built-in microwave, a stylish subway tile backsplash, ample cabinet and counter space, and a pantry for additional storage space. The spacious master bedroom features a walk-in closet and a private en suite bathroom with a dual vanity, a garden tub, and a separate shower. The rest of the bedrooms are also spacious in size and the laundry room is conveniently located upstairs with all of the bedrooms. The upstairs loft area would make an excellent game room, entertainment room, or home office. The patio and privacy-fenced backyard will be perfect for grilling out, entertaining, or watching the kids and/or pets play. You'll appreciate neighborhood amenities, including a community pool, a clubhouse, a covered pavilion, a children's playground, and several neighborhood ponds and green spaces.
