Description

Don't miss this opportunity to own a stunning condo in the Historic Frederick Shaffer House, ideally located in the heart of downtown Charleston. This 1 bed, 1 bath, top floor, back of the building unit (allowing for peace and quiet from the street) boasts 12-foot ceilings, wood floors throughout, in-unit laundry, a recently updated bathroom, and a modernized kitchen. Every detail is breathtaking including the wainscoting, crown molding, and the exposed brick wall in the kitchen. Just steps away from King Street you can experience all that downtown has to offer; shopping, restaurants, and beautiful architecture. This condo comes with one unit specific parking space (with a shared EV charger) in a gated area behind the building, and access to the piazza on the top floor.
