Luxurious amenities abound, with plumbing fixtures by Brizo and Kohler, a scullery with additional appliances and a wine refrigerator, and a wood-burning fireplace in the open living-dining room adding to the home's allure. Impact-rated doors and Anderson windows lead to a spacious screened porch overlooking the expansive yard and concrete pool with a travertine deck, offering a serene outdoor oasis for enjoying Charleston's mild climate year-round. With five large bedrooms, including an ensuite bedroom on the first floor and the primary suite and three additional ensuite bedrooms on the second floor, this home provides ample space and privacy for all occupants.
