Description

This beautifully crafted ranch-style home offers the best of both worlds: privacy on a wooded lot next to open HOA green space, all within a highly sought-after community with ample amenities for its residents. The open-concept design showcases a chef's kitchen that will impress even the most discerning home chefs. Featuring top-of-the-line stainless steel appliances, ample cabinetry, a spacious center island and gorgeous countertops. This kitchen is as functional as it is stunning--perfect for both everyday meals and entertaining guests. Off the living area is the all-weather room that is heated and cooled and not included in the square footage. The primary suite is conveniently located on the main floor complete with a luxurious en-suite bathroom and generous closet space. Two additional well-sized bedrooms and a full bathroom are also located on the main floor, offering plenty of room for guests, a home office, or hobbies. Upstairs, you'll find a versatile fourth bedroom with an adjacent full bathroom ideal for visitors or a private retreat. Nothing builder-grade here with the current owner adding plantation shutters downstairs, light fixtures throughout, leaf guards on the gutters and enclosing the patio for maximum indoor living enjoyment. Step outside to your private, fully fenced yard with hassle-free turf. Located next to an HOA green space, this home only has a neighbor on one side, adding to the privacy. Cresswind has a wealth of amenities, including walking trails, pool, hot tubs, clubhouse, pickleball and tennis courts, bocce courts and more. This low-maintenance home combines modern luxury with the ease of living in a community that encourages relaxation and social connection.
