## Description

Step into this beautifully renovated home featuring all-new LVP flooring throughout (with tile in both bathrooms), and a stunning floor-to-ceiling painted brick fireplace as a living room centerpiece. The kitchen has been completely upgraded with new quartz countertops, tiled backsplash, stainless steel appliances, and all new faucets – perfect for anyone who loves to cook or entertain. Enjoy the spa-like feel of the fully tiled master bathroom, complete with a large stand-up shower, plus brand-new vanities and toilets in both bathrooms. The extra front room offers flexible space for a den, dining room, or home office. Additional features include new lighting fixtures throughout, fresh interior paint, a one-car garage with opener, new vapor barrier and crawl space water lines, and washer/dryer included. Relax outside on the charming wrap-around front porch or unwind on the gravel patio in the partially fenced backyard. Tucked away on a quiet dead-end street, you're only 12 minutes to downtown Greenville and just 8 minutes from shopping, dining, and the mall. With a roof just 6–8 years old and a 3–4 year old water heater, this home is not only stylish but also offers peace of mind.
