Description

By far the best price around for a move-in ready home! Welcome to this 3 year old house on a large private lot at the end of a quiet street in West Ashley. Centrally located with easy access to I526 and I17, you are just a few minutes drive to Citadel mall, Costco, Lowe's and many shops and restaurants. You'll love the layout of this home with the large and open living / dining / kitchen area in the center of the home, which separates the primary bedroom, ensuite, and walk in closet from the other two bedrooms and full bath. This property would offer a great space for mechanics, boat enthusiasts, contractors, and hobbyists with its additional 600 sqft detached 2 car garage/shop (with separate electric meter). No HOA and 2 blocks from the public boat landing!
