## Description

Located in the heart of Irmo, this 4 bedroom 3.5 bath boasts a huge, welcoming front door, with two master bedrooms and a walk out basement, ready to convert in to office space, game room, theater or additional storage. Relax in your backyard, complete with a screened in porch and a new deck built in 2024, along with a fenced in back yard containing three lockable gates for easy access. Plenty of other upgrades throughout the home to include renovated full bathrooms with Corian sinks, and a kitchen granite countertop with upgraded appliances. Lots of storage in the attic as well as two storage sheds under the deck stairs, and even a workshop for projects and that extra garage space. There is a stairlift from the garage to the kitchen entrance and cleaning is made simple with a central vacuum. Check out the rest of the upgrades yourself. Won't last long.
