Description

221 Kondros, Greenville, offers 32.9 acres and the perfect opportunity for developing a beautiful neighborhood, with 1010 ft frontage, on the Saluda River, or for building your dream home surrounded by privacy. Located 3.8 miles from I-85 and within 2.8 miles of the local school system, this property gives great access for shopping, dining, and employment. The topography of the land is slightly rolling, with a mixture of younger trees and bushes, due to being clear-cut in 2002. There is approximately 1040 ft. of road frontage with 20% of the land being open that currently has an older home used as a month-to-month rental. Current utilities are Greenville Water and Duke Energy. Call to schedule a walking tour of the land and let your development mind dream of all the possibilities.
