Description

Beautiful first floor condo in the sought after Surfside Beach community of South Bay Lakes. This is a quiet corner unit, not adjacent to the parking lot, with a peaceful view of the small pond. The kitchen and bathrooms have been updated from original, and there are more kitchen cabinets in this unit than others after the remodel. Enjoy the view of the pond and nice breezy days from the screened porch. The bedrooms are generous sized and the primary features a walk in closet. The HOA fee includes everything but the unit electric. South Bay Lakes is a well kept community, only a very short drive to the beach, restaurants, shopping, and medical facilities. This condo would make an excellent primary or secondary residence, so check it out today!
