Description

Enjoy breathtaking sunsets from this expansive yet secluded home site in Keowee Vineyards, offering 4.05 acres of land. Surrounded by large acreage tracts, this property provides a peaceful retreat. Conveniently situated, it is only 25 minutes from Pickens and 45 minutes from Main Street Greenville, boasting a wide array of dining options with over 60 restaurants to choose from. Nestled within an enclave of charming cottage-style homes, this lot allows for the construction of any design or size that meets the approval of the architectural committee. Picture yourself relaxing on a deck or terrace, gazing out towards the mountains as you savor a glass of your favorite beverage while the sun sets in the distance. The nearly flat terrain of this home site makes it ideal for a crawl space foundation, which can help save on building costs. Alternatively, you can opt to build a basement, elevating your main floor. Additionally, membership to the Cliffs community is available for separate purchase, providing access to a range of amenities.
