Description

This 1 bedroom unit on the 3rd floor has an elevator (you can use the stairs but there is a gym!) The buildings are secured in that you need a fob to enter the enclosed hallways & the elevator. No one above you stomping around and a great view from the balcony! The kitchen is large and includes the Refrigerator, Microwave, Range & Dishwasher. You can put a little 2 seater table in the kitchen, use the counter for stools, the dining room or all three options. The living room is spacious and has plenty of light from the patio doors to the balcony. The bedroom fits a queen bed, has a walk in closet and connects to the bathroom. The bathroom has two separate areas. The sink, vanity & linen closet are together and the toilet, tub & shower are closed off by a privacy door. The walk in laundry room is oversized and great for additional closet space or large pantry items. There's a private 6'x6' Storage Room(#14) in the garage area. The fob gives you access to the hallways from the stairway, to the elevator and the amenities. Convenient to hospitals, shopping, restaurants, access roads and more.
