Description

This is our Hawkins floor plan: A single story home that still manages to fit in all of the amenities you need and space to spare for entertaining! You'll enjoy this home from the moment you step through the front door. Easy to maintain LVP flooring is throughout the foyer, bathrooms, kitchen and great room. Cozy carpet feels soft underfoot in all the bedrooms and closets. We aim to impress our homeowners with our standard features, such as: Low-E windows, quartz countertops, stainless steel appliances, 9' ceilings, and flush mounted LED lighting. Your double garage with attic access gives you more than enough storage inside. And if you're wondering about outdoor space; please know you can pass the time on either your quaint front porch or spacious back patio.
