Description

With utility costs rising especially with the increase charges for " PEAK" time usage take advantage of these Solar Panels. Please see in the photos a Negative Bill. Don't let the slope in the back yard scare you! You can do camping, hiking and hunting without leaving home! Hang a hammock back there for a private oasis getaway and dream you're in the rainforest. Build the kids a tent and they will think they're in a national park. Make the most of this secluded space! Nestled in a quiet cup-de-sac in a highly desirable neighborhood, this stunning Craftsman-style home is the perfect blend of charm, functionality and privacy. Featuring an inviting open-concept design, beautiful hardwood floors and a split floor plan, this home is both spacious and welcoming. With four bedrooms there's plenty of room for family, guests or a home office. The primary bathroom boasts a double vanity sink, relaxing garden tub and a separate shower for added convenience. Situated on a picturesque sloped lot with a wooded backdrop, this home offers a serene retreat with plenty of privacy. Great area for raised garden beds etc... Stroll down to the bottom of the lot and hang a hammock for those peaceful evenings totally secluded or take your sleeping bag up to the tree house! The basement is a dream for woodworking, crafts or hobbies providing ample space for creativity. Energy efficiency is provided , with solar panels that will be paid off at closing-offering long term savings for the new homeowner. Don't miss this rare opportunity to own a beautiful home in an exceptional location.
