Description

Welcome to this charming 3-bedroom, 2-bath ranch-style home in the delightful Coastal Heights neighborhood—where the only thing better than the location is the potential to make this home truly yours with just a little TLC. It's ready for your personal touches, and if you need some inspiration, just take a quick trip downtown Conway for a bite to eat (we're talking minutes here, not hours!) or head to the shores of Atlantic Ocean, just a 25-minute drive away, for that perfect beach day. If you are a fan of college football, you can catch Chanticleers game at CCU and their football stadium near by. Also close by is highly rated Conway Medical Center. Inside of the home, you'll find a spacious living room with tall ceilings and a wood-burning fireplace—perfect for cozy nights or pretending you're a professional at fire-starting. The kitchen is ready for your culinary creations, complete with a breakfast nook to enjoy your morning coffee (or perhaps your third cup). It's also conveniently located next to the formal dining room—ideal for when you feel like hosting fancy dinner parties, even if it's just take-out. The main bedroom? It's huge, with an ensuite bath and a walk-in closet big enough to house all your shoes (or, you know, a small army of clothes). And when you're done with all that, step outside to the screened-in back porch. Relax with a cool drink in hand, watching golfers swing away on the Hackler Golf Course. You'll feel like you're living the dream... with a front-row seat to the action! The 0.4-acre lot is a bird watcher's paradise and a gardener's dream—because who doesn't want to create their own backyard oasis? And don't worry about parking. The driveway easily accommodates an RV, boat, or a fleet of vehicles—your call! Plus, the oversized garage has plenty of space for a workshop, storage, or whatever other important things you need to stash away. Coastal Heights is a charming, well-maintained neighborhood with no HOA—because sometimes, the best things in life come without a rulebook. So if you're ready to roll up your sleeves and make this home your own, this one's for you.
