Description

Wide Open Living in the Wren School District If you've been searching for space—inside and out—this 5 bedroom, 3 bath home on over 5 acres delivers the kind of everyday freedom that's getting harder to find. Located in the Wren school district (with a Liberty mailing address), this is the kind of spot where you can ride an ATV, grow your own vegetables, raise chickens, or simply enjoy not having neighbors or an HOA telling you what to do. Inside, you'll find a large open living area that flows into the kitchen and dining space—ideal for gathering, spreading out, or keeping things simple. The layout includes a spacious primary suite and a second en-suite bedroom—ideal for guests, in-laws, or multi-generational living—on one side, with three more bedrooms and two full baths on the other, all on a single level. Brand new LVP flooring throughout keeps it clean and low-maintenance. Step out back and you'll find a generous fenced backyard, above-ground pool, and room to breathe. Whether you're looking for space to grow, room to play, or just some distance from the noise (or to make some noise), this property has the setup to make it happen. Country living. Wren schools. No nonsense.
