## Description

Wonderful cottage-style home in the quiet neighborhood of Broad Acres in Cayce, SC. Enjoy the convenience of living close to everything in downtown Columbia and West Columbia, USC, the Vista, close I-77 access and Steel Hands Brewing. This all-brick, two bedroom two full bath home was recently remodeled in 2022 with flooring, granite countertops, stainless steel appliances and new cabinets. Original hardwood and newer LVP flooring throughout the home, tiled showers, energy efficient windows and a small washer/dryer laundry room with an open living room/dining room. The one-car garage provides extra storage and is the perfect place to keep any vehicle out of the elements. A small covered back porch overlooking the spacious back yard is a great place for grilling out or just relaxing in nice weather. With recent updates and the location, this is a great turn-key home!
