## Description

Major price reduction just in time for spring! One-of-a-kind homesite with more than 5 acres on Lake Wateree! This land already has a pier, picnic area and trails in place, and is just waiting on your dream home. You can't beat the undisturbed nature where you will discover fox, deer, turtles, ducks and even bald eagles. There is a small pier already in place as well as a picnic area nestled in the trees. The 2 neighboring homes have more than 4 acres each, so privacy should not be an issue. Whether you are looking for privacy, nature, or lake life, this one offers it all! (The small pier shown in photos is what conveys with this sale. The nearby dock with boat shown in photos is on the neighboring property and not included in sale.)
