Description

Curb appeal, style, and smart design! This stunning 5-bedroom, 3-bathroom home has been updated throughout and flawlessly maintained! Fall in love with the open-concept layout, featuring rich hardwood floors and elegant built-in cabinetry surrounding a cozy electric fireplace. The heart of the home is the show-stopping kitchen, complete with a huge island accented with wainscoting, luxurious quartzite countertops, stainless steel appliances, a stylish tile backsplash, and a walk-in pantry. The breakfast nook, with its charming built-in bench (and hidden storage!), flows seamlessly into the living area—perfect for casual mornings or weekend brunches. Just off the nook, enjoy a spacious screened-in porch that opens to your private, fully fenced backyard oasis—mature landscaping, a patio ideal for grilling, and your very own fire pit make this the ultimate entertaining space! Retreat to the tranquil master suite featuring a tray ceiling, plush carpet, and a luxury ensuite that rivals any spa. Think: zero-entry tiled shower, soaking tub, double vanity, and a walk-in closet! Guests will feel pampered too, with a chic full bath conveniently located between two stylish first-floor bedrooms. Head upstairs to find two additional bedrooms, a full bath, and a versatile loft—plus don't miss the hidden under-stair storage space, currently transformed into a fun kids' play nook! Extras? This home has them in spades: tinted glass front door, epoxy-coated garage floor, tile laundry room with built-ins, and so much more. And the community perks? Next-level! Plantation Lakes offers resort-style amenities including multiple pools, a clubhouse, fitness center, playground, tennis & pickleball courts, basketball, volleyball—and even a boat ramp and day docks so you can explore the expansive community lake.
