## Description

Welcome home! The four-years-young beauty is ready for new owners. 4 bedrooms (plus large loft) and 3.5 baths in 3144sf. Luxurious Mohawk Revwood flooring greets you in the entry and carries through the main level. Formal living with doors (currently setup as a bedroom) would make the perfect office. The formal dining room is spacious enough to host a crowd! The great room is anchored by a cozy fireplace. The kitchen is complete with granite countertops, a tile backsplash, a large island, a spacious pantry, and an eating area. The generously-sized primary suite is a true retreat on the second level with an ensuite bath and walk-in closet. The layout of the additional three bedrooms ensures everyone has their own privacy. The loft is a fantastic second living space for a playroom or a media space. The covered back patio overlooks a fully-fenced yard with a gate to the back cul-de-sac. Woodland Crossing offers fantastic amenities including a pool, and it is zoned for some of the best schools in the state. Don't wait to schedule your tour!
