Description

Beautifully renovated home on a large, corner lot! Zoned for Lex1 schools, this five-bedroom home boasts tons of recent upgrades and a spacious, open floor plan. The large living room features a two-story ceiling and double-sided fireplace that connects to the sunroom, allowing tons of natural light to pour through the home. The living room also overlooks the large kitchen, including an eat-in area, gas cooktop and stainless steel appliances. The primary retreat has high tray ceilings and a recently renovated bathroom, including a double vanity, updated shower, separate tub and custom-built closet. A formal dining room, butler's pantry and home office complete the main level of the home. Upstairs you'll find four additional bedrooms, as well as a spacious bonus room that can be used as a home gym, media room and more, along with a shared bath. The backyard is a true oasis with a large, flat backyard and privacy fencing. The recently installed patio and gazebo allow you to enjoy the outdoor area all summer long, and the additional powered work shed is the perfect spot for additional hobbies or that perfect man cave! This home is located in Kellers Pond and is just minutes away from Lake Murray as well as all of the shopping, dining and entertainment of Downtown Lexington.
