Description

Welcome to La Belle Maison. Completely and thoughtfully renovated, this gracious home, sited on high ground (X Zone) within the original Walled City on Charleston's longest cobblestone street, is turn-key and move in ready. 24 Chalmers boasts unusual wide, front to back views, from the sunny south facing piazza, through parlors and dining room, to the gourmet kitchen with La Cornue range and Calacatta marble cladding. Four gas fireplaces throughout the home will make chilly nights cozy. There are primary suites on both the first and second floors. Each of the five ensuite bathrooms has access to private outdoor space which boast views of the many churches and landmarks in the French Quarter. The roof deck provides iconic views of St. Philip's Church, the Mills House, Circular Congregational Church, and the Dock Street Theatre. A secluded patio and garden lie behind secured gated parking for two cars. A spacious guest apartment is accessible at street level, with its own gated entrance and electric meter, perfect for visitors or a rental. Also at street level is a large family room/media room with a catering kitchen, bathroom, and elevator to make living easy. Main residence has 5 bedrooms, 6.5 baths and approximately 5300 SqFt. Guest suite/apartment has 2 bedrooms, 1 bath and approximately 1000 SqFt. 24 Chalmers will be featured as the 2025 Charleston Symphony Orchestra League showhouse.
