## Description

The Newberry is the perfect balance between outdoor living space and a coastal-inspired interior, encouraging you to slip off your sandals and relax. Starting at 2,590 heated square feet, this home offers 3 bedrooms, 3 bathrooms, an office, a bonus area, and a two-car garage. Step in from the foyer to find an open kitchen, dining, and great room area. Breeze through sliding glass doors onto a 179 square foot covered porch, ideal for warm summer evenings or afternoon get-togethers. Whether you're looking for an abundance of counter space, added seating, or a more intimate gathering area, this model's options will serve as the solution. Through the foyer, you'll find a large drop zone and laundry area while you unload beach accessories or sand-filled clothes. Drop-off beach chairs in the convenient storage space just inside the garage, as well. Across from the drop zone, a room for a study or create a third bedroom instead. Beyond the open living space, find a stunning master suite complete with a tray ceiling, enormous walk-in closet, double vanity, and a seated shower.
