Description

Hillbrook Forest offering this tri level on corner .57 acre lot - Much love and memories in this 4 bedroom that is ready for new owners - Foyer entry leads to a large living room - The hardwood floors recently refinished will surely catch your eye - Formal dining plus eat in kitchen allows for seating space to entertain - Back sun porch with stone flooring and lots of windows was used as the 'pool' room by this family but makes a great flex space and is heated/cooled for comfort - The upstairs with 3 bedrooms and 2 full baths, one including laundry, will not disappoint - Rooms are large and accommodating - The lower level offers a den with fireplace - Cozy gas logs, built in shelving and perfect place for gatherings - additional bedroom with walk in closet and full bath - So many possibilities, whether a kitchenette added and makes an in law suite or convert all of the downstairs to a master suite - Doors lead from this den downstairs to a large screen porch - Security system in place - Updates all noted on seller's disclosure - Don't miss your opportunity to enjoy this amount of square footage for this price in well built home and add your own touch to the decor - Call for your private showing.
