Description

Stunning 4-bedroom, 3.5-bathroom home with a private pool and scenic views of a serene conservation area, offering ultimate tranquility and privacy! The thoughtfully designed, open-concept floor plan features a spacious split layout, filled with natural light and top-tier finishes throughout. The flexible office space could easily be transformed into a 5th bedroom. All additional bedrooms are generously sized, complete with built-in storage and organized closets. The expansive Family Room is the heart of the home, featuring a striking stone fireplace and tray ceiling with elegant boxed beams, creating a perfect gathering space. The gourmet Kitchen is a chef's dream, offering abundant cabinetry, a gas cooktop, quartz countertops, and a large island with a farmhouse sink. The first-floor Master Suite is a luxurious retreat, with views of the pool, a spa-like bath with a large walk-in shower, double vanities, and a huge walk-in closet with a built-in island. Outside, the backyard is a true oasis, with a sparkling pool, paved patio, covered outdoor living space, and a fully fenced yard for complete privacy. Located just minutes from all that Myrtle Beach has to offer, including fantastic dining, shopping, and, of course, the beach! This one won't last—schedule your showing today!
