Description

Great Southern Homes "Julie" floor plan with BRICK front - one year old - in the cul de sac and ready for you to move in! This 3 bedroom features a primary suite and two additional guest bedrooms and a shared bath all on the main floor. Upstairs, over the garage, is that "extra room" you need for additional overnight guests, an office, playroom, or whatever you decide. The lot is awesome - level at the front and back and you'll really appreciate the extra long drive way with plenty of space for parking friends & guests. The screen porch is a quiet peaceful place to relax overlooking the really private backyard with trees! This home is super clean and hardly lived in. A job transfer for the Seller is your reward!!!
