Description

A grand plan indeed. The Hemingway boosts 2500 sf of seamless living space! The downstairs has a flex room that can be used as an office/study or 5th bedroom. There is a full bathroom downstairs as well. The kitchen is extremely open and airy with a kitchen bar for additional sitting and granite counter space. The corner pantry serves a wonderful space and fits in perfectly with the flow of the kitchen. There is a deep single sink bowl with pull-down sprayer faucet and cup wash station. Pendant lights around out this very impressive kitchen layout. The living has an electric fireplace and ceiling fan. Upstairs offers 4 bedrooms and an incredibly LARGE loft. Very large. The owner's bedroom also has a ceiling fan and leads to a owner's bath that packs in the features. Tiled shower with built-in bench, rain shower head, DEEP stand-alone tub with body sprayer, 3 blue tooth LED mirrors with anti-fog feature, granite counter with vessel sinks, and tile flooring. 9' first floor ceilings, blinds throughout the home, Smart Home features, Ultravation HVAC technology for Clean Air in your home and the garage is prewired for electric cars!! USDA 100% financing available.
