## Description

Back on the market at no fault to the seller. Move-in ready and better than new! This stunning home in the highly sought-after Meridian Subdivision of the Market Common Community has been freshly painted and upgraded with extensive landscaping and a beautiful patio perfect for relaxing or entertaining. The popular Tillman floor plan offers over 3,200 sq. ft. of heated space, with two living areas, an open-concept design, and a first-floor owner's suite. The kitchen is a dream featuring quartz countertops, 36" cabinets with soft-close drawers, a spacious pantry, and an oversized island that overlooks the living room. Gorgeous luxury wood-look tile floors run throughout the main living areas, adding both style and durability. The owner's suite is spacious with a massive walk-in closet and a private bath, complete with a double vanity, tile floors, and a 5-ft tiled walk-in shower. Upstairs, you'll find a huge 20' x 20' loft/bonus room, four generously sized bedrooms, a laundry room, and two full baths, plenty of space for family, guests, or a home office. Outside, the fenced-in backyard is large enough for a private pool, and the neighborhood allows golf carts and other fantastic amenities. Plus, you're just minutes from golf courses, shopping, dining, medical facilities, and Myrtle Beach International Airport.
