Description

Stunning Home with Resort-Style Backyard Oasis Welcome to this beautiful home featuring a sparkling pool with a relaxing hot tub, surrounded by lush palm trees for a true backyard retreat. The screened porch offers the perfect spot to unwind, while the BBQ area is ideal for entertaining. The parking area between the home and the detached two-car garage will accommodate a 32' RV or boat when not being used as a pickle ball court. There is garage parking for 2 cars and driveway space for four more cars. Inside, you'll find two spacious primary suites plus two additional bedrooms, providing ample space for family and guests. The front primary bedroom suite has it's own HVAC system. The kitchen boasts granite counters, tile backsplash, newer refrigerator and dishwasher, two large pantries, perfect for all your storage needs, and the expansive laundry room adds extra convenience. This home has been meticulously maintained including new and upgraded windows in 2021 and a new roof in 2022. The pool and hot tub were resurfaced and retiled in 2021 and a new salt cell in 2024. Salt water pools are known for being easy to maintain with bagged salt. Enjoy the privacy of your own oasis with all the amenities you've been dreaming of.
