Description

Welcome to this charming Low Country traditional style home, gracefully elevated with a full front porch that invites you to relax and enjoy the serene surroundings, Nestled on a protected wetlands lot, this property offers both privacy and natural beauty. Recently upgraded with cutting edge smart home features, including Tesla Power Walls and solar panels, this home combines timeless appeal with modern sustainability. This beautifully designed 4 bedrm, 3.5 bath home includes a foyer, laundry, pantry, breakfast nook, formal dining, & media room. As you step inside you'll be immediately awe struck by the hickory hardwood floors throughout both levels (tile in the bath areas). The entire interior has been freshly painted in a clean white palette providing the perfect backdrop for your personal style. The inviting formal dining room with coffered ceiling is to the left as you enter. Beyond that is the well appointed kitchen equipped with an expansive island, LG gas cooktop with downdraft vent, granite countertops, a stone tile backsplash and under cabinet lighting perfect for setting a cozy mood after dinner. The LG Studio Smart appliances including the WiFi enabled double wall ovens and Instaview door in door refrigerator all convey with the home. Ample cabinet storage, both glass front and solid door, completes this chef's kitchen. - The spacious great room offers an abundance of natural light from the large windows that overlook the deck and peaceful wetlands beyond. The marble surround gas fireplace complemented by custom built-ins, adds a touch of warmth and charm. - The main floor primary suite includes a private sitting area bathed in natural light with access to the screened porch. The en-suite bath includes a garden tub, separate shower, double sink vanity with granite counter and access to the very spacious walk in closet. Don't miss the lovely imported tile flooring. - The open concept plan and hickory hardwood floors continue on the stairs with mahogany handrails and wrought iron pickets enticing you to the second level. The second floor primary suite also features a sitting area and the two guest bedrooms share a jack-and-jill bath. The closet and storage space is amazing throughout the home and includes a walk in attic storage area. - The highlight of the second floor is the media room. A large bright space with custom built-ins, ready for you to turn it in to the ultimate entertainment area. - The home is fully equipped with smart features making it both stylish and convenient. There are numerous advanced features detailed in the attached info sheet to include Bahama hurricane shutters and mechanical storm shutters. Look out storm, we're ready! - For outdoor living relax and enjoy the screened porch and composite deck accessed by the breakfast nook or primary suite and offering an oh so peaceful retreat. The covered patio area below is perfect for relaxing or entertaining. Find your favorite movie, pop some popcorn and enjoy family fun night at home! - The backyard is fully fenced with stylish front fencing and a "living fence" at the rear to maintain unobstructed views of the protected wetlands beyond. - The home also boasts a two car (plus) garage located under the entire footprint providing plenty of additional space and possibilities. - The Rivertowne Country Club community offers a wealth of amenities and it is conveniently located to most anything you need. - This thoughtfully crafted home has been meticulously maintained and is ready for you to make it your own. Don't miss this opportunity to experience all that this beautiful home has to offer. Welcome to your Dream Home!!
