## Description

As you pull up to this charming home, you are greeted by two iconic Palmetto trees welcoming you to this inviting 4-bedroom home in the highly desirable Planters Pointe neighborhood. Once inside, make note of the Brazilian cherry wood floors that run throughout the main level and the light-filled great room with vaulted ceilings and a cozy wood-burning fireplace. Just off the great room is the formal dining room, currently used as a media room, offering flexibility to suit your needs. The large eat-in kitchen is perfect for gathering, with 42" cabinets, granite countertops, an island, and a wall of windows that fill the space with beautiful natural light. The primary suite features a walk-in closet and a bright, comfortable bathroom with dual sinks, a garden tub, and a walk-in shower. A powder room and laundry room, which leads to the two-car garage, are also conveniently located on the main floor. Upstairs, you're welcomed by a flexible-use loft that overlooks the great room, along with three additional bedrooms and a full bath. The bedroom over the garage includes a bonus space with a large walk-in closet. This extra space is ideal for a home office, playroom, or creative studio. Out back, enjoy a screened porch which opens to a generously sized, fenced-in yard perfect for relaxing, entertaining, or letting pets and kids play. The owners added a 10x12 shed for lawn equipment or other storage needs. This home has the space, comfort, and flexibility to fit your lifestyle beautifully!
