Description

Welcome to 2649 Crooked Stick Lane, located across from the 9th fairway in the prestigious Rivertowne Country Club. As you enter this fully updated, turn-key home, you're greeted by an open foyer. To the left is a home office or guest bedroom with access to a full bath, and to the right is the dining room. Further down the hall, you'll enter a spacious great room featuring a beautifully tiled gas fireplace with access to both screened and wrap-around porches. The kitchen, open to the great room, was updated a few years ago with quartz countertops, stainless steel appliances, including a gas range with a custom hood, and floating shelves. The primary bedroom is conveniently located on the main floor, with direct access to the screened porch. It features a luxurious en-suite bath with a large shower, soaking tub, walk-in closet, and a second closet. The laundry room is also on the main floor. The home has been recently remodeled to include a Sonos sound system, installed both inside the house and on the outdoor decks and screened porch. Upstairs, you'll find three additional bedrooms. One has an en-suite bath, while the other two share a Jack-and-Jill layout, and all feature walk-in closets. There is also a bonus room with access to the roof deck, and a loft that opens to the front porch. Additional features include a new roof (2021), a Generac whole-house generator, newer HVAC, a Rinnai tankless water heater, updated lighting, Smart technology, and plantation shutters throughout. The home boasts hardwood floors, double-pane/double-hung windows, two walk-in attic spaces, full-yard irrigation, a gas line for grilling on the deck, a roof deck with water views, an outdoor shower, and a fenced backyard. With over 800 square feet of porch space, this home is perfect for outdoor living. The three-car garage offers additional room for a golf cart, boat, bikes, and more. A short walk takes you to the amenity center, where you'll find a pool, tennis courts, basketball court, and a playground.
