Description

This beautifully renovated home in Daniel Island Park offers the ideal spot for enjoying the Lowcountry lifestyle! With a sweeping front lawn, spacious .3-acre corner lot, and wrap-around porches, 267 Delahow Street is positioned perfectly for natural light and privacy. From the front entrance, a wide entry hall welcomes you into an open kitchen, living and dining area. With white oak flooring, marble counters, and Wolf and Sub-Zero appliances, the kitchen is as chic as it is highly functional. The living room ceiling has been accented with wood beams, and the fireplace has a reclaimed wood mantel. A wall of windows across the back of the house offers views into the back garden and opens to deep porches. The first floor offers great versatility with a bedroom located at the front of the home that could function as a secondary primary suite, guest bedroom or home office. Upstairs, you're welcomed by a spacious landing that offers room for a den and connects all bedrooms. The primary suite is filled with natural light and features a generous walk-in closet with custom shelving. The en suite bath includes a beautiful soaking tub, a walk-in shower, and a recently updated vanity with new countertops. Plus, recessed Robern mirrored medicine cabinets provide extra storage space. The two additional bedrooms upstairs are both equipped with en suite baths and walk-in closets of their own. The outdoor space is fully fenced, featuring beautiful landscaping and a seamless walkway that connects the porches of the main house to the detached garage. The garage offers space for two cars, and a power cable for an electric vehicle. The FROG is accessed via an exterior staircase and includes a versatile bedroom/living area, a fully equipped kitchen, and an en suite bath. The location of 267 Delahow Street is truly unbeatable. You're within walking distance to the Daniel Island Club and scenic walking trails, and only a short golf cart ride to Credit One Stadium and the island's best shops and restaurants. Downtown Charleston is easily accessible by car or ferry ride, and your favorite beaches are only a short drive away!
