Description

This beautifully designed 5-bedroom, 4.5-bath home in Park West offers 3,678 sq. ft. of thoughtfully designed living space, including dual primary suites--ideal for multi-generational living or hosting guests. A charming white picket fence surrounds the landscaped yard, enhancing its curb appeal. The oversized screened-in porch with 8' sliders leads into a bright, open floor plan. The chef's kitchen features a large island with quartz countertops, cabinet crown molding, a counter-to-ceiling tile backsplash, and stainless steel appliances. A butler's pantry with butcher block countertops, a laundry room with custom cabinetry, and a powder room add convenience. The family room includes a gas fireplace and abundant natural light, flowing into the formal dining room. The first-floor primary suite offers dual vanities, a 6' subway tile shower, a water closet, and a walk-in closet. A cozy play space under the stairs adds charm and functionality. Upstairs, a large loft serves as a second living area. The second primary suite features a tray ceiling, dual vanities, a 5' tiled shower, a water closet, and a walk-in closet. Bedrooms three and five share a full bath, while bedroom four has a private ensuite and walk-in closet. Additional features include a two-car detached garage with a second-floor storage area, an irrigation system, hurricane shields, Hardie Plank siding, and a Rinnai tankless water heater. Located in an X flood zone, no flood insurance is required. Just a short walk away is the Park West Pool & Tennis Club, which offers two pools, tennis courts, parks, and walking trails. Conveniently located near top-rated schools, shopping, dining, and just 15 minutes to the beach.
