Description

Welcome to this beautiful 3,800+ sq. ft. custom built home in the sought-after Chanticleer neighborhood, perfectly situated on the vibrant Club Forest Lane. With an exceptional floor plan and timeless charm, this home offers the perfect blend of space, comfort, and functionality. On the main level, you will find elegant formal living and dining rooms, an updated kitchen with quartz countertops, an oversized laundry room, and a cozy den features a wood-burning fireplace, seamlessly connected to a sunroom with serene views of lush trees and a peaceful creek. The main floor has 9 foot ceilings throughout. The second floor features four well-appointed bedrooms, including a spacious primary suite, two bedrooms joined by an oversized Jack-and-Jill bathroom, and a private guest room with its own ensuite bath. Ample storage throughout ensures effortless organization. On the walk-out basement level, you will find a wonderful space that is currently being used as an art studio, but would also be perfect for a playroom or mancave. This room has a gas fireplace, with lots of storage and a full bathroom attached. There is a screened porch off of the basement, that leads to a nice sized flat, fenced-in backyard. There is also a two car garage on the basement level with excellent storage. The exterior of the home is clad in beautiful cypress wood siding. The circle driveway welcomes you home, while the mature landscaping includes camellias, peonies, Japanese maples, and more, which adds to the home's natural beauty. This is a rare opportunity to own a home with both classic charm and modern updates in one of the most desirable neighborhoods in Greenville. Schedule your private tour today.
