Description

This updated 1940s brick Tudor is on a beautiful tree lined street in the sought after neighborhood of Old Windermere. The house has kept all of its original charm with hard wood floors throughout, a wood burning fireplace, and a maturely landscaped yard with a koi pond. The family room and den are inviting with tons of natural light and easy access to the outside patio for entertaining. The eat in kitchen has been updated as well as the butler's pantry. The three bedrooms and two baths are on the second floor and the third floor has been converted to another bedroom with 4 built in beds. The house has multiple storage areas...the unfinished attic, the basement with a washer and dryer hook up and the detached garage. Come see this incredible property!! Agent related to seller.
