Description

2708 Old Charleston Road in coastal Georgetown, South Carolina! Cute brick ranch style home situated on a large .64 acre lot. SO much space here to add an out building, huge garden or a pool. This home is almost 1,600 heated square feet and has three bedrooms and two full baths. The great room is sunny and bright with a large picture window, plus a formal dining room and a large kitchen with a breakfast nook, stainless appliances and laundry room area. The primary bedroom has two closets and a recently renovated bathroom with walk-in shower. The huge floored attic could potentially become added living space if needed. And everybody loves a metal roof! Outside there are gardenias, azaleas, dogwoods, oak trees and room for more of the same. Maryville is located close to historic Georgetown waterfront Harbor Walk, shopping, wonderful restaurants, fresh seafood vendors, multiple public boat launches for quick saltwater or freshwater fishing and access to five rivers that surround the area with an easy drive to Pawleys Island, the closest public beach access. Situated on the south side of Georgetown and approximately 45 minutes south to Mount Pleasant - a quiet drive towards Charleston - easy commute to and from work. *Buyer responsible for verifying home and lot square footage.
