Description

This beautifully custom-built 5 bedroom, 4 bathroom home brings classic Charleston charm to the Upstate. Located in highly desirable Hollingsworth Park, its central location is perfect for everyday convenience with the added upside of extra amenities! Legacy Park & Stella's Brasserie are within walking distance. Bermuda shutters, double porches, gorgeous hardwood floors, and curated designer finishes throughout all paired with a magazine-featured garden truly set this home apart. This is an exceptional opportunity in one of Greenville's most desirable neighborhoods. The main level primary suite is tucked away into a private retreat featuring marble countertops on separate double vanities, a garden tub and separate shower, and a fully customized system in the walk in closet. The kitchen is at the heart of the home and features granite countertops, a walk-in pantry plus a butler's pantry with access to the formal dining room, and a new refrigerator and dishwasher. It's both beautiful and well designed for function! Additional touches like Schumacher and Serena & Lily wallpaper, designer lighting, and whole-house surround sound elevate the style and appeal of this Hollingsworth home. The crowning jewel of this incredible home is the stunning outdoor space. Off the covered patio lies a meticulously maintained garden with a charming moon gate & water feature, worthy of a feature in Stroll magazine. Well cared for and maintained, no detail has been left unattended. Don't miss your opportunity to settle into this stunning home in Hollingsworth Park!
