## Description

This immaculate, move-in ready single-family home is located on a prime corner lot in the highly sought-after Meridian neighborhood, just minutes from The Market Common, shopping, dining, the Atlantic Ocean, Myrtle Beach State Park and ocean. Experience true Carolina living—hop on your golf cart to explore town and head to the beach! Built in 2019, this Cali floorplan features a spacious open-concept layout with FOUR bedrooms and two full bathrooms, all on one level. Vinyl plank flooring flows throughout the main living areas, bathrooms, and laundry room. As you enter, the entryway leads to two bedrooms on the right, separated by a full bathroom with a tub/shower combo. Continuing down the hallway, you'll find the laundry room with a full-size Frigidaire washer and dryer, overhead storage, and an additional bedroom, along with access to the two car garage. At the back of the home, the kitchen opens to the living area with electric fireplace and wood mantle. The kitchen is equipped with a large island with bar seating, stainless steel appliances, granite countertops, and a spacious pantry that has outlets inside for your countertop appliances to stay out of the way. The primary bedroom, located off the living room, boasts a large walk-in closet and an en-suite bathroom with a double vanity, linen closet, stand-up shower, and a separate water closet. Sliding doors from the dining area lead to an 8'x10' screened-in porch, which opens to an extended concrete patio and a fenced backyard, perfect for outdoor entertaining. The retractable awning at the back provides shade for those hot summer days. Upgrades include a brick façade, screened-in porch, retractable awning, extended patio and a fenced-in yard. Take a dip in the community pool or enjoy all the amenities the Meridian offers, such as an indoor pickleball court, hot tubs, and a fire pit. Play a game of cornhole or take a walk or bike ride on the community pathways. Schedule a tour today and be a part of this amazing community!
