Description

Lot 31 in the sought after Anchorage Plantation community is an interior 3 acre lot scattered with mature oaks. This property epitomizes the Wadmalaw landscape. Mature oaks create a unique homesite opportunity on one of the few wooded lots in the community. The understory of the property has been mulched creating a blank canvas for the next owner. Anchorage offers estate-sized parcels, an impressive community deepwater dock, boat landing & pavilion for social gatherings. This is an ideal location for boating and fishing with Bohicket Marina being a short ride and the open ocean another 10 minutes away.
