Description

The popular Wildewood Subdivision welcomes a custom new construction home, built by Prestige Construction offering over 10,000 square feet of living and amazing water front views! Offering 8 oversized bedrooms to include 3 primary suites, 8 full baths and 3 half baths. This home was customized to comfortably host 3 families with luxury on all three levels! Open concept living with the coziness of 4 fireplaces, the convenience of 2 full kitchens to include custom cabinetry and trim. The lower level offers a theatre room and a 2.5 car tandem garage with ample space for golf cart, boat, or any other leisure vehicles. This boastful abode has 8ft doors throughout and many other custom features that are best seen to appreciate. The builder will complete home when contract terms and conditions are met between buyer and builder. Don't miss out! Schedule to see your dream home today!!
