Also during their ownership, the sellers converted the back patio to a heated and cooled Carolina Room and added an uncovered patio across the full length of the back of the home. Part of the patio can be covered with a retractable awning. The large backyard is complete with a shed that will convey with the sale. The galley style kitchen features granite countertops, stainless appliances, a double oven, ceramic tile and island. The primary bedroom features vaulted ceilings and a large walk-in closet in addition to a walk-in shower and dual sinks in the primary bathroom. The Meadows at 707 has a low HOA fee and is located near the intersection of Hwy. 31 and Hwy. 707. The home is located just over 6 miles to the Surfside Beach pier and just under 9 miles to the Marshwalk in Murrells Inlet.
