Description

Welcome Home to your slice of tranquil low country living, only minutes from the City of Charleston. As you walk through the door you are greeted by beautiful flooring leading to a formal dining room and an open living area that is perfect for relaxing or entertaining. The kitchen has a butlers pantry, beautiful countertops, lots of cabinet space, and brand new appliances. The master bathroom has walk in closets and a large master bathroom with separate toilet area, dual sinks, a large garden tub, and nice tile shower. Upstairs there is a large living area, 3 bedrooms, and 2 full bathrooms. Out back you can relax on your screened in porch or lay in a hammock and take in the views of your beautiful yard that has an amazing grand oak, overlooking a large pond. This is a beautiful home with lots of space, that was just built in 2023. The developer has started on the second phase of the neighborhood and said that there will be walking trails, a fire pit, neighborhood dock, and boat landing.
