Description

Enjoy the very best of the Old Village in this beautiful, historic turn-key home. As practical as it is lovely, it includes every feature today's sophisticated buyer seeks. There are dual primary bedroom suites (one downstairs and one up) and four secondary bedrooms--all large enough to accommodate a king-sized bed; five full bathrooms and one powder room; two media/living rooms (one with a gas fireplace and the other with a wine refrigerator and vaulted pecky cypress ceiling); a separate dining room with hand-painted chinoiserie walls; a wet bar with custom cabinetry and ice maker; a walk-in pantry with secondary refrigerator; a light-filled kitchen with marble island and countertops, abundant cabinetry and Wolf and Bosch appliances; a screened porch with wood burning fireplace and vertical grain tongue and groove hemlock walls and ceiling; two five-panel Euro Wall accordion doors, one opening to the screened porch and one to the pool area, along a hemlock-paneled hallway with custom cabinetry/drawer storage; and laundry on each floor. Outside is a 16'x29' saltwater pool with spa, a shower and a poolside covered "kitchen" with Lynx gas grill, sink, metal cabinetry and granite bar and counter tops. Sonos speakers are installed in the ceilings of the screened porch, the second media room and the outdoor kitchen. To the right of the house is a detached one-car garage with heated and cooled office/gym at its rear and gravel drive with motorized gate. At the left of the house are parking spots for 4 cars. Attractive picket fences line the front yard and surround the pool. And important to all Lowcountry homebuyers: the crawlspace is encapsulated and features newly installed stainless steel ductwork.
