Description

NO HOA!!!! Don't miss out on this beautiful low country/ranch style custom-built home with 4/5-bedrooms, 4.5-bathrooms, a separate office & bonus room or 5th bedroom (above the garage). This home was completed just over a year ago, sits on just a tad under an acre of land, & is over 3000 heated sq ft. This home is breath taking from 1st sight. The outside of the home has brick skirt & cement board siding, The yard has a sprinkler system, the front & side yard has Zosia grass, a long driveway & oversized garage for plenty of parking & a large front porch with a lot of room for rocking chairs. As you enter, you'll notice a wide-open foyer with a 15+ ft high ceiling & 10 ft ceilings throughout the rest of the home. In the back is the huge screen in back patio equipped with surround system speakers to create an enjoyable place for entertaining. There's gorgeous tile flooring throughout the home & all the counter tops are cover with a beautiful granite. Now let me tell you about this Chef's kitchen that's equipped with all stainless-steel appliances, a 48inch 7 burner ZLINE double oven with a pot filler, tile backsplash, a grand island bar, & a separate large butler's pantry. 2 of the 4 bedrooms downstairs have their own bathrooms, the bonus/bedroom above the garage has a full bathroom and closet. All the bathrooms have either floor to ceiling or tub to ceiling tile. The Living room has vaulted ceilings with surround sound speakers, a stunning white masonry gas fireplace with built-ins & plenty of storage. The large primary bedroom has tray ceilings with surround sound speakers, a huge walk-in closet that sits perfectly between the bathroom and large laundry room. The stunning bathroom has double vanity, a walk-in shower & a relaxing soaking tub. This is definitely a must see, it's located close to everything you'd need & is nestled back away from the main roads. With NO HOA then you can bring your toys & park your boat, RV, etc.. with no worries. And let's not leave out there's a boat ramp in the neighborhood. So, schedule your private showing before it's to late.
