The home offers stunning northeastern views of Panther Mountain, providing a picturesque backdrop to your everyday life. With a layout designed for effortless living, this residence is perfectly suited for both families and empty nesters. The main level is an entertainer's dream, featuring a great room with soaring ceilings and a magnificent floor-to-ceiling stone fireplace, creating a cozy ambiance on chilly mountain evenings. The newly renovated kitchen is equipped with modern amenities, including a new ceiling fan with integrated lighting, ensuring the space is both functional and stylish. The layout seamlessly connects the breakfast room, dining room, study, and laundry room, making it easy to move from one space to the next. The primary suite on the main level is a private sanctuary, boasting an oversized walk-in closet and a beautifully updated bathroom. Thoughtful upgrades such as new sinks, a light switch conveniently placed on the bedroom side, and a newly installed fan in the shower enhance the experience, offering a spa-like retreat within your own home. Imagine unwinding here after a day on the golf course or a hike in the surrounding nature trails. Upstairs, the home continues to impress with three spacious guest bedrooms, perfect for visitors or family members. The sitting area provides a quiet space for reading or relaxation, while the renovated guest bathroom ensures that everyone enjoys the same level of comfort and luxury. The large attic space is a hidden gem, offering additional storage complete with a cedar closet to keep your belongings fresh and well-organized. The lower level is a versatile space that adapts to your needs. Newly carpeted and enhanced with new can lighting, this multipurpose room can serve as a fifth bedroom, a man cave, or a recreation room. A fully encapsulated crawl space ensures the lower level remains dry and well-maintained, adding to the home's longevity and your peace of mind. Outside, the home's appeal continues with a screened-in porch that features removable windows, making it a perfect spot for year-round enjoyment. Whether you're sipping your morning coffee or hosting a summer barbecue, this space offers a seamless transition between indoor and outdoor living. The exterior has been thoughtfully upgraded with the addition of 6" gutters to prevent overflow, and trees have been cleared to enhance the mountain views from the front of the property. The garage is not just a place to park your cars but has been transformed into a well-lit, functional space with an epoxy-sealed floor, a ceiling fan, and additional LED lighting, making it ideal for any project or hobby. Convenience is a key feature of this home's location, with easy access to the wellness center, clubhouse, dog park, walking trails, and golf course.
