Description

Welcome to this beautifully remodeled Greenville home in the award winning Pelham Road Elementary/Eastside HS School District, just 15 minutes to Downtown Greenville and 10 minutes to Woodruff Road shopping! When you pull up to this home, the first thing you'll notice is the stunning, manicured landscape, with fresh mulch, beautiful flowers, and mature trees all beautifully accenting this home's oversized lot. Approach the home, and you'll notice that the siding, roof, and windows are all brand new and ready to be enjoyed for the first time by their new owner. Inside the home you'll immediately be greeted by a classic two-story foyer with a gorgeous staircase and tons of natural light streaming into the home. The main level offers a tremendous amount of entertaining space and flexibility with an oversized dining room (which could be used as an office or living space), great room, living room, and sun room that leads out to the back yard and pool. Every bedroom in this home is attached to a bathroom, including the main level guest bedroom that is hidden just off the living room. The kitchen has been completely remodeled with brand new cabinets, quartz countertops, high-end appliances, etc., along with all the bathrooms, using fixtures and cabinetry that tastefully blend modern and classic styles. Upstairs, you'll find three bedrooms, including the primary suite that has been completely reconfigured with a walk-in closet and an incredible "showroom" bathroom with tiled shower and separate, freestanding tub. Go outside into the private, fenced-in backyard, and take in the views of the freshly stained deck and beautiful in-ground pool, all surrounded by a lush, oasis-style landscape. This home has too many features to list - you have to see it in person! Schedule your showing today!
