Description

The Augusta Rd (Street) neighborhood is one of the most desirable in the city of Greenville! With amazing schools, walkability, quick access to downtown whether on foot, bike, golf car, or vehicle, there's no greater location in town! This home is ready for renovations or a blank slate for your dream home! The original 1946 hardwoods are in really great shape but could use refinishing. The major systems of the house are in great working order and the "bones" are as strong as any home in the neighborhood. Don't wait to see it!
