Description

Welcome to Your Dream Home! Brand New Stanley Martin Poplar Floor Plan on a Gorgeous .30-Acre Homesite! Location, Luxury, and Lifestyle - All in One! Step into the epitome of modern living with the stunning, brand-new Stanley Martin Poplar floor plan, in the coveted Longview Community. Perfectly positioned just one mile from I-20, commuting is a breeze! This vibrant, family-friendly neighborhood boasts large homesites, a community clubhouse, pool, picnic cabana, playground, athletic field, and sidewalks throughout, offering endless opportunities for relaxation and recreation. The Poplar home design seamlessly blends functionality and comfort, creating a space perfect for modern living. Upon entering the foyer, you'll discover a versatile flex room that can serve as a home office, formal dining or game room, catering to your family's needs. The main level also features a convenient bedroom, ideal for guests or multi-generational living, and an open-concept living area where the family room, dining space, and kitchen flow together harmoniously. The kitchen stands out with its expansive counter space and a substantial island with seating, complemented by a large walk-in pantry that ensures ample storage. Just off the dining area, outdoor living extends to a covered patio, perfect for entertaining or relaxation. Upstairs, the primary bedroom offers a spacious retreat with two impressive walk-in closets. An additional upper-level flex room serves as a second family room, providing a versatile space for relaxation. The pocket office is a thoughtful addition for those who need a dedicated workspace or hobby area. Two secondary bedrooms, each with their own walk-in closets, complete the upper level. On select homesites, the flex room can be converted into a fifth bedroom to accommodate growing families. The Poplar is designed to provide flexibility, comfort, and modern conveniences for today's dynamic lifestyles. Come see why the Poplar is such a Popular floor plan, get it?!
