Description

The ever-popular Lexington Floor Plan by Essex . This spacious 5 bedrooms, 4 full bath home offers an array of possibilities. Nearly 4000 sqft with not one, but two master suite options; one upstairs and one downstairs. The downstairs suite can seamlessly function as an "in-law suite" for aging parent. The full bath associated with this main lvl master suite /in-law area offers a zero-step in shower too. The formal living room also works great as a designated living space that connects to this in-law area. Beautiful hardwood floors, coffered ceilings, open-floor plan with oversized eat in kitchen, bay window, tiles back splash and more. Upstairs you'll discover newly install hardwood floors and four additional bedrooms, including a large master with sitting area and his and her walk-in closets. Master bath with private water closet, tub and shower, dbl vanities. Large media room for gaming, movie watching or relaxing. Extended grilling patio, extended fence line and storage/workshop out back round out all of the awesome details of this incredible home. New roof, low HOA fees, convenient location and highly sought after schools make this home a home run.
