Description

Only 7 years young, the 1.5 level home is a lovely 3 bedroom/2 bath property with .75 acres. The modern look with stone accents and a side entry garage provides great curb appeal. The home is ideal for entertaining with a welcoming front porch, open floor plan, firepit and gas fireplace. The covered back porch offers beautiful views of natural areas. The kitchen has a walk-in pantry, island, granite counter tops and stainless appliances (refrigerator, washer and dryer remain). The dining room has some high windows for flexible furniture placement. The owner suite accommodates a king bed and has an outstanding walk-in closet. The ring security system with doorbell and three cameras remains. Woodlake is a popular community with incredible amenities including a lake, clubhouse, tennis/pickleball court and pool. There are lots of social events and clubs for residents to enjoy. It is conveniently located to Fort Jackson, shopping and Richland Two Schools.
